

Wisdom through the Decades

1960's

Make PEACE not GERMS! Today we celebrated the 1960's with a peaceful protest against COVID-19. While we had fun with our signs, we talked about the 60's over granola cups provided to us by the kitchen. Residents remembers the 1960's as at turning point in our country; however, not only political causes, but also relationships, careers, and family lifestyles.
